Login

Name/username marshalluniversity Type your name/username and then press

Barcode/password cardtent Type your barcode/password and then press

Submit

## OTHER LOGIN SCREENS

If you encounter a login screen other than the two shown above, you might be trying to use a resource directly (via Google, etc.) rather than accessing it through the library website.

**Most of our electronic resources require access through the Renfro Library website, and will not work otherwise.**

For assistance, please contact us: [library-staff@mhu.edu](mailto:library-staff@mhu.edu)
